MAXIMUM FLAVOR  
MEDIA

## Capabilities Narrative

Maximum Flavor Media, LLC is an award-winning small business video production company with 15 years of experience helping organizations tell their stories with clarity and impact. We specialize in motion picture and video production (NAICS 512110), postproduction services (512191), and related media support (512199). We've partnered with general contractors, ConTech innovators, and Fortune 500 companies to produce case studies, marketing campaigns, training content, and high-profile event videos. We deliver technically precise productions, handling every detail of crewing, casting, payroll, and logistics with the ability to scale crews nationwide.

## Core Competencies

- Full-Service:** End-to-end video production
- Pre-Production:** Concepts, scripting, storyboarding
- Production:** On-location, studio, aerial filming
- Postproduction:** Editing, color, graphics, sound
- Video Types:** Case studies, testimonials, campaigns, training, events
- Crew & Logistics:** Crewing, casting, payroll, nationwide scalability

## Differentiators

- Industry Expertise:** 15 years across construction, clean energy, Fortune 500
- Turnkey Support:** Crewing, casting, payroll, logistics - we take care of everything
- Nationwide Scalability:** Trusted crews and resources across the U.S.
- Award-Winning Quality:** Technically precise, creative productions
- Collaborative:** Seamless with internal teams, full-service when needed

## Past Performance

High-impact content for enterprise and commercial clients: case studies, training and communications, event coverage, livestream packages, and large-scale technical productions.

Contact Maximum Flavor Media to discuss how we can bring clarity, creativity, and impact to your next project. We make the complicated simple and we're ready to roll when you are.
